## 4. Facts of lane maintenance

### Pattern lengths

The pattern lengths used in the WYC 2010 are Short and Long. The patterns used will be chosen by the WTBA Technical Delegate Marios Nicolaides and informed in the Manager Meeting.

Helping Mr. Nicolaides will be John Janawicz from Kegel and of course the Tali lane maintenance crew.

## 5. Age limit

To participate in WYC 2010 the players must be born 1 January 1989 or later.

## 6. Various facilities and services

### Website

Various information related to the WYC 2010 is available at [www.keilailu.fi/wyc](http://www.keilailu.fi/wyc) including all necessary information and furthermore hosting the result service during the championships.

### Press area

One meeting room will be used for the press; all connected through the internal network in the centre and with access to results at the Internet. We expect to be able to provide space and capacity for about 20 press officials. Because of limited space, only those journalists, who enter in advance, can be guaranteed working space in the press room.

All press officials will be connected through a wireless network. They will have access to the Internet free of charge.

We expect the press officials to bring their laptops, but should there be a need, stationary computers will be available in the press area. There will also be a printer available.

A refreshment service in form of coffee, tea and soft drinks will be available for all accredited press officials - free of charge.

### Press conferences

We will provide sufficient space for press conferences after the conclusion of each discipline and in other situations, when necessary.

### Result services

The latest technology will be in use both for the present press officials and in relation to accumulation and presentation of scores and standings.

### Bus services

All delegations of the championships will be met in Helsinki-Vantaa Airport and in conjunction with departures a similar delivery service will be provided.

A bus service for the official hotel - Tali Bowl - hotel will be provided for all players, coaches, officials, Presidium members with an official entry throughout the whole duration of the championships.

In addition there will be mini buses available for various special situations.

## Equipment storage

Ball park in the bowling centre will be used to store the equipment. There will be an easy and short distance from ball park to the lanes.

## Farewell Banquet

The Banquet will be held in August 1 in the evening, probably in Radisson Blu Hotels Seaside.

## WYC 2010 Entry Fee

The WYC 2010 Entry Fee is 180 €.
